

# **STOP** THE **CORPORATE** **POWER GRAB IN OHIO**

## **Vote NO on Issue 2**

*Issue 2 is an inappropriate use of the Ohio constitution, and would set a dangerous precedent by creating a permanent place for special interests in the constitution.*

## **On November 3, Vote NO**

- ★ **NO** to corporate and special interest takeover of our Ohio constitution
- ★ **NO** to unchecked power and new layers of unaccountable bureaucracy over our livestock farmers
- ★ **NO** to a new board acting as judge, jury and executioner of all animal agriculture policies in Ohio
- ★ **NO** to expanded state government
- ★ **NO** to an appointed board of political cronies who could radically shift livestock standards in any direction
- ★ **NO** to giveaways for factory farms in the Ohio constitution
